Gifts of Publicly Traded Securities

A charitable gift of stock provides an opportunity for tax savings while generously supporting Craig Hospital Foundation. Electronic delivery of stock shares is the most secure and expedient delivery process available and provides efficient internal control as well as cost savings. However, you may also transfer certificates directly. Below, we provide instructions on both as well as the form that we request you submit along with your transfer as electronic transfers do not provide identifying information about a donor. Please consult with your tax advisor if you have any questions as to the deductibility of your gift; in particular if you are donating in support of an event or auction item as there may be capital gains taxes associated with the benefits received.

ABOUT CRAIG
Craig advocates for and provides exceptional patient and family centered care for those affected by spinal cord and brain injury. Together we bravely strive for optimal health, independence, and life quality with unyielding determination.

Craig is a valuable community resource, recognized as a Top 10 rehab hospital. Attracting patients from around the country, it is one of only two hospitals in the U.S. solely dedicated to the rehabilitation of people who have sustained a spinal cord and/or a brain injury. Supporting Craig helps patients and their families achieve higher life quality and independence, as well as advancing rehabilitation research.
