

**Craig Hospital Therapeutic Recreation
Internship Interest Form**

At Craig Hospital we offer internships on our brain injury inpatient teams and spinal cord inpatient teams. In addition, we facilitate various therapeutic interventions within the department. Please let us know your preference in which you would prefer your internship to focus on. Please note that availability is dependent on our internship supervisor availability and we may not be able to accommodate all of your preferences.

Please rank by putting a "1" next to your preference. If you have equal interest, put "1" next to both preferences

_____ Spinal Cord Injury

_____ Brain Injury

Check the areas below in which you have experience and/or interest in learning more:

_____ Aquatics (ie. Swimming, water exercises, relaxation, SCUBA, etc)

_____ Adaptive Gaming (ie. Virtual Reality, computer gaming, device gaming)

_____ Sports (ie. Basketball, tennis, pickleball, handcycling, golf, billards, bowling, blow darts, rugby, etc)

_____ Outdoor recreation (ie. Fishing, hiking, rock climbing, shooting, ATV, skiing, etc.)

_____ Horticulture

_____ Expressive Arts

*If you have an area of interest that is not listed above, please let us know.

Please specify which semester you are applying to intern at Craig Hospital:

_____ Winter/Spring

_____ Fall
