RESEARCH STUDY ON THE POSTPARTUM EXPERIENCE AFTER SCI

We are recruiting women with spinal cord injury (SCI) for an online study on their postpartum experience. We are seeking women who:

1. Have had a pregnancy and live birth within 5 years of study participation after their SCI
2. Are able to provide informed consent to participate
3. Are at least 18 years old at the time of the interview
4. Speak English
5. Are able to complete the interview via Teams online conference

Participants will be asked to complete a one-time interview about their experiences with postpartum depression, other depression, anxiety and other factors related to the postpartum experience. Participants will be compensated for their time and childcare, if necessary.
