

2027 CRAIG FOUNDATION EVENT SPONSORSHIP OPPORTUNITIES

"I know what it's like to rebuild your life after a brain injury, because Craig helped me do it. That experience shapes how our firm cares for every client we represent. Sponsoring Craig events, volunteering at the hospital and giving back from every brain injury case we handle is how we honor the place that made my recovery possible."

- Keith Fuicelli
Founding Partner, Fuicelli & Lee

The Craig Foundation is thrilled to share our 2027 event sponsorship opportunities, featuring signature events that raise vital funds for Craig patients, innovative programs, and groundbreaking research.

By sponsoring, you're not only investing in transformative care but also joining a passionate community that believes in resilience, healing, and hope. Together, we can advance Craig's mission, fuel our [Hope & Homecomings](#) campaign and make a lasting impact for patients and families.

For more information or to secure your sponsorship(s), please contact our events and sponsorship team at sponsorships@craighospital.org.

All Craig Foundation sponsorships are considered philanthropic support. In accordance with our policies, sponsorships do not influence hospital operations or business decisions. Donor Advised Funds (DAFs) typically cannot pay for sponsorships due to the fair market value involved. Please consult your tax advisor.
